Instructor: Zohair M Abu-Shaban, MSc & DIC
Office: B 230
E-mail: zshaban@iugaza.edu.ps
Website: http://site.iugaza.edu.ps/zshaban
Telephone: (08) 2860700 ext 2878

Course Content:
- Experiments, Models, and Probabilities.
- Discrete Random Variables.
- Continuous Random Variables.
- Pairs of Random Variables.
- Random Vectors.
- Sums of Random Variables.
- Stochastic Processes
- Markov Chains (subject to time restrictions).

Textbook:

References:
- Any other books related to the field.

Grading Policy:
- 40% Final Exam.
- 40% Two Mid-term exams. (20%, 20%)
- 20% Homework and quizzes.

Office Hours:
- Saturday, Monday and Wednesday: 09:00 - 10:00 (F)
- Saturday, Monday and Wednesday: 14:00 - 15:00 (M)
- When available in the office, or by prior arrangement.

Notes:
- Plagiarism will be taken seriously and may cause zero mark assignment.
- No food or drink is allowed into the lecture hall.
- Due to the large number of students taking this class, no more than 10 minutes of delay are tolerated. If you are running late, make sure you arrange to attend in the other class.
